

# Living Waters

Springs of Life Bible College Newsletter

Fall Quarter, 2021

## From the President's Desk

Greetings to all. We at Spring of Life are praying for you and your families. God is truly good to all of us. Many times we do not understand all that He is doing, but He is always on time. Praise His Holy Name!

Psalm 25:5: "Lead me in Thy truth and teach me, for Thou art the God of my salvation; for Thee I wait all the day."

Learning to wait on God is a lifelong experience. Many times it is difficult to see what He is orchestrating. We must allow the Lord to establish His peace in our hearts, and in His time He will give us understanding. It is vital to know the time of the Lord regarding any vision He gives you.

Keep us in prayer and let us know of any prayer needs. Continue to check our web page for available classes and other news/activities. We love to hear from you about what is happening. Continue to be safe during this time, especially with the Holiday season coming.

God Bless:  
Dr. Brinca Jo Hunter

## SOLBC Online is Here

SOLBC courses are now entirely online. Current classes are on ZOOM, and archived classes are accessed through our website.

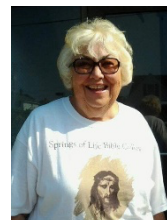

Registration is also online. Contact us at [www.SpringsofLifeBibleCollege.org](http://www.SpringsofLifeBibleCollege.org)  
You can register for Winter and Spring classes that are available now.

## Welcome Back, Dr. Carol!

The Co-founder of Crystal Springs Ministries and President Emeritus of Springs of Life Bible College is our beloved Dr. Carol Shab. She and her husband, Dr. Amer Shab launched their God-given vision five decades ago that is still thriving for the Kingdom today.

Dr. Amer went home to be with the Lord, and Dr. Carol continues to carry out the mission through advising, mentoring, and overseeing SOLBC. She has had some physical conditions, but thanks to your prayers she is recovering and has returned home to Ohio. To God be the glory.

The Crystal Springs Ministerial Association has an annual fellowship to celebrate God's blessing on His work. This year we are planning to meet at a restaurant to celebrate Dr. Carol for inspiring us all to excel in the Kingdom. Keep an eye on your email for the date and place of the event. If you have any suggestions about how we can best honor Dr. Carol, please call Dr. Brinca at the office: (440) 545-1210 or email us at [solbcoffice@gmail.com](mailto:solbcoffice@gmail.com)

## License Renewal Time is Now

Crystal Springs ministry license applications for 2022 have been sent out to all who were licensed in 2021. If you were not licensed in 2021, you can still apply for 2022. Call the office at 440-545-1210 and an application will be mailed or emailed to you.

We look forward to having you all on board as we win the world for Christ.

## The Power of Three

Some of the greatest power in existence is *staying* power. This article features three ways we can stay in victory.

### 1. Stay in God's Plan

Great ideas are not always "God ideas". Many begin well but miss God's timing. Usurping authority or refusing to take it can result in loss. It is wise to seek godly counsel and give sufficient time to listen to God.

Let us pray:

Dear Father, we thank You for glimpses of what we can do for the advancement of Your Kingdom. May each dream You give us include peace and assurance that the time will come for the realization of our hope. Give us the mind of Christ to see into the realm of the Spirit. Help us to guard our hearts against impatience. In Jesus' name, amen.

### 2. Stay in the Loop

Now is a crucial time for the Body of Christ to stay united and attuned to the leading of the Lord. We at SOLBC are pleading with you to stay connected with us so we can together conquer the kingdom of darkness that is trying so desperately to squash our message.

Let us know what you are doing and how we can work together to accomplish the mandate Jesus has given us to spread His love through His Gospel.

### 3. Stay Alert

"Be sober and watchful, because your adversary the devil walks around as a roaring lion, seeking whom he may devour." (1 Peter 5:8).

Staying informed is vital to being victorious in this present warfare against ideas and attacks from the enemy. Triumph comes when we know and apply the Word, seek wisdom, and utilize the power God has placed within us through the Holy Spirit.

## Preacher Feature

Rev. Bill Goodrich, Founder and President, God Cares Ministry – (from his website)  
[www.godcaresministry.com](http://www.godcaresministry.com)

Bill Goodrich served three years in the U.S. Army as a combat engineer. He worked for Alcoa in Quality

Control for 13 years, during which time he was born again. At age 26 Bill began visiting local nursing homes to comfort those who were lonely. This blossomed into a desire for full-time ministry.

After earning a BD from **Spring of Life Bible College** he served part time as an associate pastor. In 1994 Bill took a leap of faith and dove into full-time service, founding God Cares Ministry. Since that time he has earned his Master of Ministry, authored several books to equip nursing home missionaries, and developed a ministry training program and Bible study curriculum for seniors.

Bill's wife, Cathy, serves alongside Bill in the mission field. She has a BFA from Central Michigan University. She is Media Coordinator for God Cares Ministry.

One of Bill's favorite verses is 2 Corinthians 4:5, "For we do not preach ourselves, but Jesus Christ as Lord, and ourselves as your servants for Jesus' sake."
